Securing this finance marks a significant milestone in our journey to expand and enhance our children's residential care services. It's a testament to the strength of our vision and the unwavering dedication of our exceptional management team. With this support, we are now positioned to grow sustainably and continue providing safe, nurturing environments where every child can thrive.

Alex Nuttall, Director
YourCared

YourCare is exactly the type of business Growth Lending wants to support. Our funding will accelerate its already impressive growth trajectory in a sector underpinned by strong market drivers and real-world impact. With the solid foundation the management team has built, we are confident the business will go from strength to strength and we are excited to support the team on their journey.
